CNJ Holy Convocation Business Meeting 2019

California New Journey Jurisdiction Evangelism Department
Pastor Darryl E. Jackson, President

What is Evangelism? Paul tells Timothy in II Timothy 4:5 *“But watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of thy ministry.”*

Evangelists are people of great talent. They endure afflictions; take on great trials, but tough as nails. They are great helps to their pastors as Timothy helped the Apostle Paul. They are the flames that stay lit and they help light the pathways for the lost. They preach the “Good News” and are preachers, missionaries, gospellers, converters, crusaders, propagandist, campaigners, and televangelists. But really we are just plain, ordinary people who are used by God.

Our Mission

Our mission is simple, ***“Boldly go where no other jurisdiction’s evangelist department has ever gone before!”*** This mission for those who choose to accept it is to make California New Journey Jurisdiction the biggest and brightest flame for our communities as well as the world to see. We are off to a great start! Quote our Bishop, *“It’s going to be fun!”*

Resuscitating Ministry

Prayer

Prayer is quintessential to the body of believers. This helps build faith as well as the strength of the church. Jesus prayed in the Garden of Gethsemane; he prayed out of Himself into the will of God. Prayer is our connection to God. Communication is set and the battle is won on this ground. This gets done with the power of prayer. We ask first, and God grants our desire.

Sunday School

This is an educational institution for the believers. It is the church builder for the church. It deals with the souls of man and builds membership as well as endocrine new members to the ministry. Old Testament and New Testament scriptures are the focus point. This is an area where banks and financial institutions give money greatly. Church capital campaigns are built and started in this ministry.

Bible Study

This study time has similarities to rehearsal of discipline. This is also a church builder as well as grounds where preachers, evangelists, and missionaries can hone their preaching/teaching skills. This study also connects the said pastor with his flock.

Education Ministry

We get involved with our schools and evangelists. By doing this we will attack the moral criteria and moral conduct of students in campus life. ***“Build the people and the people will build the church!”***

Street Ministry (house to house)

The plan is simply going to the streets, prisons, homes, door to door. Immediate point of contact. A well-known church builder for churches. This ministry will be done also during jurisdictional and district meetings to build our numbers in said meetings.

Community Development

Faith and Fathers Program

Adult and youth programs to connect fathers with sons back together in the home. As well as connecting them to the church. This ministry is a prison ministry as well as builds moral conduct in men and boys, and show men fatherhood for their families.

Women’s Prison Ministry (Resurrection Program)

Three night Kairos for adults and youth female offenders. Reconnecting mothers back with their children as well as to their homes. This is a ministry for prison outreach for women and young women; they are more reachable and are broken.

CNJJ Soul Winners Conference (Revival)

We are pastors of community’s not just churches. Our goal is to build this crusade as large as the Azusa Street Revival. This is a church builder as well as builds up our existence in the community. Making our cities aware that we are here and here to help. This will be a great revival.

Show and Tell Program

This program is designed to help children during summer break. The art *“Show & Tell”* is used here by taking children on trips during the summer to help build self-esteem and character as well as increase curriculum. I did this program in Indiana and worked well and was given a \$30,000 yearly grant to do this program in the Brightwood Community. It is our endeavor to operate this program in our community churches.

Respectfully Submitted,
