CNJJ Holy Convocation Business Meeting 2019

California New Journey Jurisdiction Youth Department
Elder David Jackson, President

My name is Elder David Jackson, President of the California New Journey Jurisdiction Youth Department. I was appointed this position at the Leadership Summit in January 2019.

Initial Challenge:

- Our greatest impact this year was the Southwest Regional Rally that was held in Lancaster and hosted at Pastor Darrell Dorris' church. We provided breakfast, held classes, and our Bishop was present at our night worship service. Taking on this endeavor after the resignation of the previous President set us back a little, however I believe my team handled it the best way we could and we are already working on some things for next year.

Goals for 2019-2020

- Our goals for the coming year are:
 - ✓ to host retreats for the youth and young adults separately
 - ✓ to establish regional positions for all regions
 - ✓ to calendar our services and events
 - ✓ to connect with the AZ region and get them involved
 - ✓ to add a jurisdictional youth and young adult secretary
 - ✓ to and create financial independence for our department
 - ✓ to establish communications among leadership and build a foundation for our jurisdiction

Plan (6-months)

- Within the next six months we plan to have one youth and young service for the entire jurisdiction where we will layout the leadership, discuss our transition, and use it as a launch pad for next year. We have been reaching out to all of our regions, and our hope is to have regional representation from every region.
- We are also looking to fill the needs of the local churches in the jurisdiction by establishing communications among leadership to build a foundation for our jurisdiction.

Implementation

- To implement and achieve these goals we will:
 - use the AIM to contact individuals from different regions and churches
 - build a foundation from myself, Chairlady Lewis, and VP Sparks
 - acquire a clear vision from our Bishop/jurisdiction and run with it
 - prime our churches for our events next year (registration, dates, prices, services, etc.)

Thank you for your leadership. Our team looks forward to working with you as our AIM Chairman to glorify God, build local churches and the jurisdiction.

Respectfully Submitted,

Elder David Jackson, President
